HCIEF BENEFIT AUCTION

Auction items will be received in the ballroom from 7:00 am to 10:00 pm on Thursday, and from 7:00 am to 9:00 am on Friday. All auction items must be in place by 9:00 am on Friday. No items will be accepted after that time.

The starting bid for each lot will be \$20.00. If the lot does not receive a \$20.00 minimum bid, the lot will be passed. For items with reserves, the minimum reserve amount is \$25.00. Donors with individual items that will probably not meet the \$20 minimum starting bid requirement are encouraged to combine their items so as to make them more likely to sell.

The Haviland Collectors International Educational Foundation Benefit Auction is the major fundraiser for HCIEF, so we need the participation of every member to make it a great success. We are asking that the Haviland to be auctioned be high quality pieces that are free of chips, cracks, or other damage. A committee will review the pieces prior to the auction.

Donors may elect to specify the particular fund to which HCIEF's percentage of the proceeds of their auction lots will be designated. These funds include archives, scholarship grants, and memorial funds. Any non-designated proceeds will be donated to the HCIEF general fund. A list of the funds to which auction proceeds may be designated will be provided at the conference.

For any item selling under \$250.00, twenty percent of the selling price will be considered to be a donation to HCIEF. For those items selling from \$250.00 to \$499.99, fifteen percent of the selling price will be considered to be a donation. If an item sells for \$500.00 or more, ten percent of the selling price will be considered to be a donation. Donations of items with 100% of the proceeds designated as contributions to HCIEF are of course most welcome and appreciated.

If you cannot attend the conference but wish to place items in the Benefit Auction, those items must have no reserves, unless prior written arrangements are made with an attendee who will be responsible for the items if they do not sell. Any items sent without this written designation and verification by the specified attendee will be considered donations to HCIEF. Any items sent for sale and determined by the committee to fall short of the minimum standard will be placed on the "Free Haviland" table unless an attendee has consented to be responsible for the return of those items.

Payment for auction items can be made by check or cash. HCIEF does not accept payment by credit card.

Checks for the proceeds of items consigned to the auction will be mailed to the seller shortly after the end of the conference.

If you have any questions, please contact Carolyn Quinlan at cqhighnote@gmail.com or (217) 522-4564.

FREE HAVILAND

If you have any pieces that do not meet the minimum standards for the auction, you are welcome to bring them to the conference and to place them on the "Free Haviland" table to offer to other conference attendees. If they are not taken, we request that you assume responsibility for them at the end of the conference.

SHOW AND TELL

For this long-time favorite HCIF Conference event, please bring and share with us your best finds or a piece about which you want to learn more. **Please bring your Show and Tell items to the ballroom no later than 9:00 am on Friday.**

TOURS

Tour 1: Wednesday, June 12. 9:00 am – 4:00 pm

Our tour begins at the James A. Garfield National Historic Site in Mentor, Ohio. We will have a guided tour of the Garfield Home that will take us back in time to the 1880's, the height of the Victorian era. Beautifully restored to its appearance when the Garfield family walked its halls, the home contains 80% original furnishings that belonged to James Garfield and his family, including first lady Lucretia Randolph Garfield's Haviland service. The Visitor Center offers museum exhibits chronicling the life of James A. Garfield, the twentieth President of the United States.

Our next stop is the Rock and Roll Hall of Fame, located on the shore of Lake Erie in downtown Cleveland, which recognizes and archives the history of the best-known and most influential artists, producers, engineers, and other notable figures who have had some major influence on the development of rock and roll. Lunch is on your own at this location.

Tour 2: Thursday, June 13. 8:15 am – 4:00 pm

Our tour begins with a guided bus tour of the area, when we will view Cleveland sites such as Edgewater Park, The Christmas Story House, The Arcade, and The Flats. We will visit the Western Reserve Historical Society, where we will tour the fabulous Auto-Aviation Museum. Northeast Ohio was a crucial hub of development in the transportation industry. The Crawford Auto-Aviation Collection brings the history of transportation alive through the over 170 antique automobiles, 21 non-car transportation artifacts (motorcycles, bicycles, and boats), 12 aircraft, and 3 carriages and sleighs. We will also tour an historic home and ride the wonderful Grand Carousel. Lunch is on your own at the Cleveland Museum of Art, where we will spend the balance of the afternoon.

The cost of each tour is \$55.00. Lunch is on your own on both days.
